WHOLE WEEK CONTEST - LIVE CHRISTMAS TREE DECORATING

This Christmas, let's turn the office into a winter wonderland of creativity and kindness! It's time to decorate, pamper, and surprise in style.

Each department will bring their own Christmas tree to turn into a festive masterpiece. Choose your theme, grab your tinsel, and let your imaginations run wild!

💡 How It Works:

Pick a Theme: Be bold, be quirky, or be classic—just make it awesome!

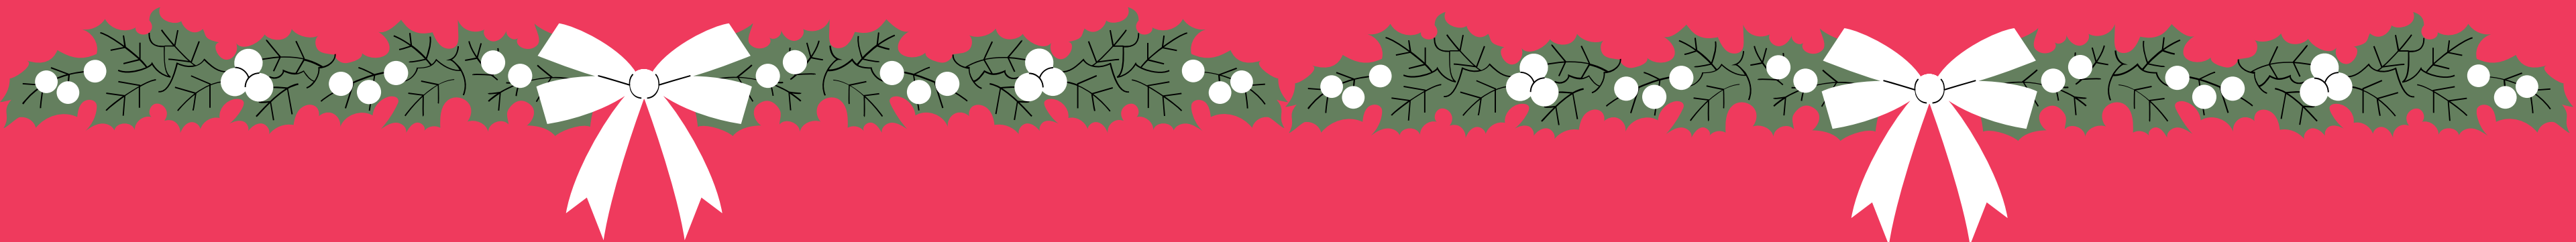

Daily Touch-Ups: Work on your tree little by little every day. No rush, no stress, just pure holiday vibes.

Progress Peeks: Snap photos of your tree-in-the-making and share them with all of us on Ubuntu to stir up some healthy competition.

🎁 What's at Stake?

On Day 5: Grand Finale, we'll crown the team with the most spectacular tree!
